And to our fellow Music Teachers at Carlsbad High School for your collaboration and inspiration.

Thank You to all of our supporters, parents, grandparents, family friends, and community members for always encouraging these students and being patient while students are learning and growing. Thank You for being our warm and welcoming audience tonight!

Finally, Thank You STUDENTS for your incredible grit, ambition, and bravery. Thank You for embracing failure as the opportunity to grow and improve at our craft. Thank You for returning to music with such passion and devotion. Together, we can make beautiful music!
